

PIANO SAFARI®
PIANO DECORATING KIT

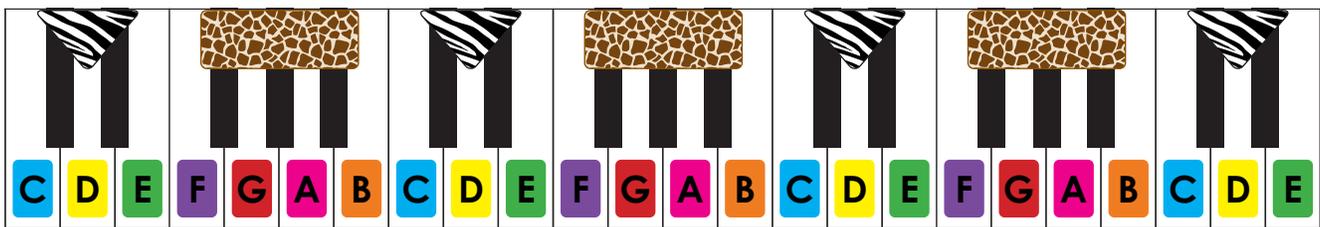

BY

KATHERINE FISHER & JULIE KNERR HAGUE

The Piano Safari® Piano Decorating Kit is designed to aid students in learning the layout of the piano keyboard. Groups of two and three black keys are identified, and the white keys are found in relation to the black keys. This Piano Decorating Kit correlates with *Piano Safari Friends*. It may also be used with *Piano Safari Level 1* or with any other piano method.

To decorate the piano, have the student do the following:

- Place the zebra triangles on the groups of two black keys.
- Place the giraffe rectangles on the groups of three black keys.
- Choose a letter, and place all of that letter on the piano. Continue to add letter groups until every key is decorated.
